Please Clean Up After Your Pets

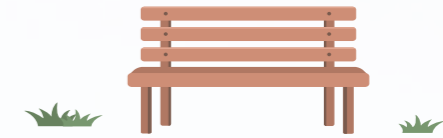

As spring is here and everyone is out and about walking the trails and enjoying the outdoors, we would like to issue a friendly reminder to pick up your pet's waste.

Dog waste is not only smelly and unsightly, but it pollutes landscapes, lawns, gardens, and public spaces. It carries bacteria, parasites, and diseases that can be transmitted to humans and other animals, and over time, it breaks down and washes into the water supply, polluting our rivers, streams, lakes, and ponds.

Please be considerate of your neighbors and the environment and pick up pet waste when you are walking your pet. Do your doody and pick up the poo for the safety of yourself and others.

We Want Your Input!

The Parks and Recreation Advisory Commission seeks community input on naming a future park in Rogers. The park is located between the Skye Meadows and Harvest View neighborhoods. The commission recognizes the importance of community involvement in creating a name that reflects the values and character of the area. The new park is set to provide a much-needed space for residents to gather, play, and enjoy the outdoors. By gathering input from the community, the Parks and Recreation Advisory Commission hopes to recommend a meaningful name that represents the area's unique identity. This collaborative effort is an excellent opportunity for the community to come together and contribute to developing a new space that will enhance the quality of life in Rogers. Submissions will be accepted until May 31. The Parks and Recreation Advisory Commission may or may not select one or more park names to consider for recommendation to the City Council for acceptance.

To submit your park name suggestion, please complete the form on www.rogersmn.gov/park-commission. The form is simple and straightforward, and it will only take a few minutes to fill out. Be sure to include your contact information so we can get in touch with you if we have any questions. Please be sure to read the full Park Naming Policy before creating a submission.

Clean-Up Day 2023

The City of Rogers will not be hosting a clean-up day this spring. We apologize for any inconvenience this may cause. Below are some organizations that offer recycling and disposal services that the city has worked with in the past.-

Hennepin County

Hennepin County operates two recycling and hazardous waste drop-off facilities located in Brooklyn Park and Bloomington. Please visit their website for detailed information:

www.hennepin.us/dropoffs

Republic Services

In addition to the weekly recycling and solid waste disposal services offered in Rogers, Republic Services offers dumpster rental and bulb, battery, and electronics recycling. Please see their website for more information:

www.republicservices.com/residents

Veit Disposal

Veit Disposal offers disposal services and dumpster rentals for home improvement projects and other household disposal needs. Please visit their website for more information:

www.veitdisposal.com

***If you do rent a dumpster for your clean-up or home projects, please keep dumpsters out of the street and right of way.

Maximum Recycling, LLC

Maximum Recycling, LLC recycles scrap metal and scrap electronics, copper, aluminum, aluminum cans, brass, stainless steel, insulated wire, Christmas lights, sheet iron, prepared steel, appliances, batteries, PCs, circuit boards, floppy drives, and much more. They also accept fluorescent light bulbs, printers, CRT monitors and TVs, LCDs, refrigerators, and keyboards for a small fee. Please see their website for more information:

www.maxrecycling.com

First State Tire Recycling

First State Tire Recycling accepts scrap tires from all passenger vehicles and trucks and some recreational vehicles for recycling and reuse. Rims without tires are also accepted. Please see their website for more information:

www.firststatetire.com

Donate

If your items are in good shape, consider donating them to the local Salvation Army Thrift Store and Donation Center, Cross Services, or your local church. You may find additional donation opportunities through the Hennepin County "Choose to Reuse" program. Visit their website for more information:

Rogers Liquor Enterprise Fund

Rogers Municipal Liquor has been part of the economic growth of Rogers since its early beginnings in the mid-1970s on Main Street.

Rogers Muni Taphouse at 21400 John Milless Drive and Rogers Wine and Spirits at 21725 South Diamond Lake Road continue to generate revenue for the city while controlling the legal sale of alcoholic beverages. Our mission is to control the sale of alcohol, making sure that we refuse service to minors and intoxicated persons while generating much-needed revenue for the citizens of this great community!

Planning a night out with friends? Rogers Muni Taphouse is a great option! Enjoy your favorite beverage, support the Rogers Fire Relief Association's charitable gambling, win some dinner at the Rogers Lions Club meat raffle on Wednesday nights, or relax on our patio (weather permitting). We are open Tuesday through Saturday with a daily happy hour and the best popcorn in town! Call **763-428-0163** to plan your party at the Muni!

If you are in the market for fine wine, craft beer, and distilled spirits, Rogers Wine and Spirits is your destination. Visit our pet-friendly establishment and our helpful staff will be happy to assist you with planning your next celebration, regardless of the size or occasion, or choosing the perfect gift for that special person in your life.

Please support Rogers Muni Taphouse, Rogers Wine and Spirits, and all of your local businesses. We are here for you!

Be Smart, Be Safe

Lately, there has been a rise in the thefts of catalytic converters (all of which took place at businesses, not in residential areas) and a few incidents of car break-ins. As the temperature starts to rise, it is essential to make sure that all belongings are locked up and any valuable items are removed from your vehicles.

About Us

The City of Rogers operates under a Council-Administrator form of government. Elected positions include the Mayor (two-year term) and four Council Members (four-year alternating terms). There are several standing commissions including: the Arena Commission, Park and Recreation Advisory Commission, Planning Commission, and Senior Advisory Commission that meet to discuss and make recommendations on important issues within the City.
