RE: Potential Utility Improvements on Arthur Street

Dear Property Owner:

Recently a petition was received by the city from Arthur Street property owners requesting the extension sewer to their properties. You are invited to an informal neighborhood meeting regarding the possible Arthur Street improvements. The meeting will be next Wednesday afternoon, January 17, 2024, between 4pm and 6pm at 22350 S. Diamond Lake Road (public Works) in the lunch room. Representatives from Engineering will be present to provide a brief presentation about the project and to answer any questions.

Please note that while you may not have signed the petition or desire city sewer, we are inviting you because the construction could affect you and/or your property.

If you have any questions regarding this matter, please contact me at 763-428-0906.

Sincerely,

A handwritten signature in black ink, appearing to read "Doran M. Cote".

Doran M. Cote, PE
Public Works Director/City Engineer
